FORENSIC SCIENCE AGENDA February 26th - March 2nd

MAIN AREA OF FOCUS: Recording the Crime Scene with Scale Drawings and Collecting Evidence

DATE	FOCUS QUESTION	IN CLASS WORK (Performance Task)	SUCCESS CRITERIA
Monday February 26th	**FOCUS QUESTION** What is a scale drawing and how is it useful to a forensic scientist?	• Students will review notes on scale drawings • Students will work in small groups to answer the question on scale drawing • Students will use their computers to watch a crime and then try to identify the suspect. https://eduweb.com/portfolio/artofcrimedetection/	**HW:** None Students will be able to read a scale drawing.
Tuesday February 27th	**FOCUS QUESTION** What is direct evidence and how does it differ from indirect evidence?	• Students will receive notes on direct and indirect evidence. • Students will play the game "Telephone" to show that hearsay is not always reliable and therefore why it is not admissible in court. **TORNADO DRILL at 10:30 a.m.**	**HW:** None Students will be able to explain that direct evidence is what a person hears or sees, and indirect evidence is something that is told to them.
Wednesday February 28th	**FOCUS QUESTION** Why is it important to listen to the ideas of every team member?	• Students will work together in small groups to follow a series of picture clues that are concealed in an envelope and opened one at a time.	**HW:** None Students will be able to share stories of frustration when they had an idea, but no one listened to them. So they got lost.
Thursday March 1st	**FOCUS QUESTION** Who are the members of a CSI Team and what do they do?	• Students will watch a video on what the different members of a CSI team do. **VIDEO:** https://www.youtube.com/watch?v=Euf2N-Q85Vk **GUEST TEACHER** (I will be at a Science Meeting.)	**HW:** None Students will be able to successfully answer the questions about the members of a CSI Team.
Friday March 2nd	**STUDY GUIDE** **I can** explain why it is important to secure a crime scene. **I can** list ways to secure a crime scene. **I can** names ways to record a crime scene. I can explain the difference between direct and indirect evidence.	**Forensic Science Test** **(Securing and Recording the Crime scene)**	**HW:** None Students will earn an 80% or better on this quiz.
